Welcome to the 42nd all India Public Relations Conference - National President, Public Relations Society of India

Festive Greetings from the Public Relations Society of India!

It gives me immense pleasure to welcome to the 42nd All India Public Relations Conference, which is on virtual platform this year.

Public Relations Society of India is committed to the cause of Public Relations and Communication profession for past six decades and we have been making efforts to upgrade the quality of Public Relations in the country matching the needs of a country which is the International leader in making. Through the previous 41 editions of the All India Public Relations Conferences we have addressed various issues of national concerns over the years but this year we all are threatened and pushed to wall not to celebrate the biggest PR festival together and meet on this virtual platform.

Public Relations is all about responding to the changing and the challenging situations. Due to Covid-19, the world is currently passing through a period of an unprecedented crisis which has put all of mankind in crisis. Every nation has been affected by the Corona virus today.

In the year gone, 135 crore citizens of India have ably dealt with the global Corona pandemic under the able leadership of Prime Minister Shri Narendra Modi. Our doctors, para-medical staff, administrative and civil services authorities/ workers, Police, bank employees and those who are maintaining essential services deserve our salutations and we need to collectively express our gratitude and respect to them. Appreciating the fact that complacency in respect of a global
pandemic like Corona is not appropriate and every one has to remain alert and cautious, PRSI launched a 360 degree campaign for Corona Awareness. All chapters across the country took committed initiatives for creating the awareness wave, reaching out to needy citizens and supporting the dedicated team of Corona warriors. PRSI also launched the “Vijayi Bharat Abhiyan “ on 4th July, 2020 with the firm belief that India will re-define the economic development, global business and inclusive growth based on our traditional treasure of knowledge, innovation and creativity. Once we win over Corona, the movement of ‘Aatmnirbhar Bharat’ and ‘Make in India” will put India on top of the world. This Abhiyan was flagged-off by Dr Ramesh Pokhriyal “Nishank”, Union HRD Minister.

This All India PR Conference is being organised by PRSI and is being hosted by the Ahmedabad Chapter on the theme of “The Emerging New World Post – Covid-19 : Public Relations in Action”. Various aspects connected with the Pandemic have been covered. I am sure that the Conference will provide a different insight to the PR professionals and those who are fighting this war against humanity. Rule of governance, corporate management, marketing strategies, media, advertising and Public Relations all have adapted rules of the new game. This Conference will unveil more of the untold stories of fight against Corona.

While I welcome all the participants to this conference, I also extend my best wishes to the organizing team of Ahmedabad Chapter that has put in heart and soul in making this Conference a great success.

Ahmedabad Chapter

The Ahmedabad chapter of PRSI formally came into existence in 1982. Earlier it was known as Gujarat chapter. At that time Ahmedabad, Vadodara, Bhavnagar and Rajkot were the nerve centres of the PR activities. In late seventies, Mr Hasmukh Shah, then PR Manager with IPCL (who became chairman of IPCL later on) was one of the founder members of Gujarat chapter with Mr Sudarshan Desai and Mr Jay Mande.

The Ahmedabad Chapter has grown from time to time under the leadership of Mr Dhananjay Shah, Mr Bhagwandas Shah of Calico Mills, Mrs Laxmi Nagaswamy, Mr Mukund Kansara, Mr Suresh Buch, Mrs Praxy D’costa, Mr P R Joshi, Ms Rekha Budhdev and Mr Dinesh Bhagat. It was a golden time for the PR activities. The chapter immensely contributed to the societal developments and emerged as a proactive profession. The Ahmedabad chapter remained active from 1982 to 1991.

With the support and guidance of Mr. Mukund Kansara and Ms. Rekha Budhdev, the chapter was re-vitalised in November 1996, under the chairmanship of Mr B L Yadav. Mr Yadav reactivated the chapter and once again the foundation of a strong beginning which was to follow was laid. Since then the chapter has grown significantly.

Another vibrant PR professional, Mr Vivek V. Shah took over the reins from Mr. Yadav and under his leadership (2005-2007) the chapter received two national PR awards in Delhi and Chennai. Thereafter, there has been no looking back and during Mr Bhavesh Upadhyay’s tenure as chairman, the chapter witnessed new initiatives like website launch and awards to distinguished professionals in communication area.

The Ahmedabad chapter witnessed structured planning during the tenure of Mr Vipul Shukla between 2010 and 2012. After that Mr Unmesh Dixit, Mr Dilip Chauhan and Mr Shaliesh Goyal put immense value to the chapter as Chairman of the Ahmedabad Chapter.

Ahmedabad Chapter also hosted the 37th National Conference in 2015, which gave a big boost to PR activities in the region.

At present the Ahmedabad Chapter is headed by Mr Rajiv Kumar Singh who took over in 2016. Under the leadership of Mr Singh, Chapter has Won More 6 Awards and continues to be a source of new energy to the organisation.
